

From Lyon Airport to the French Gathering in St Etienne

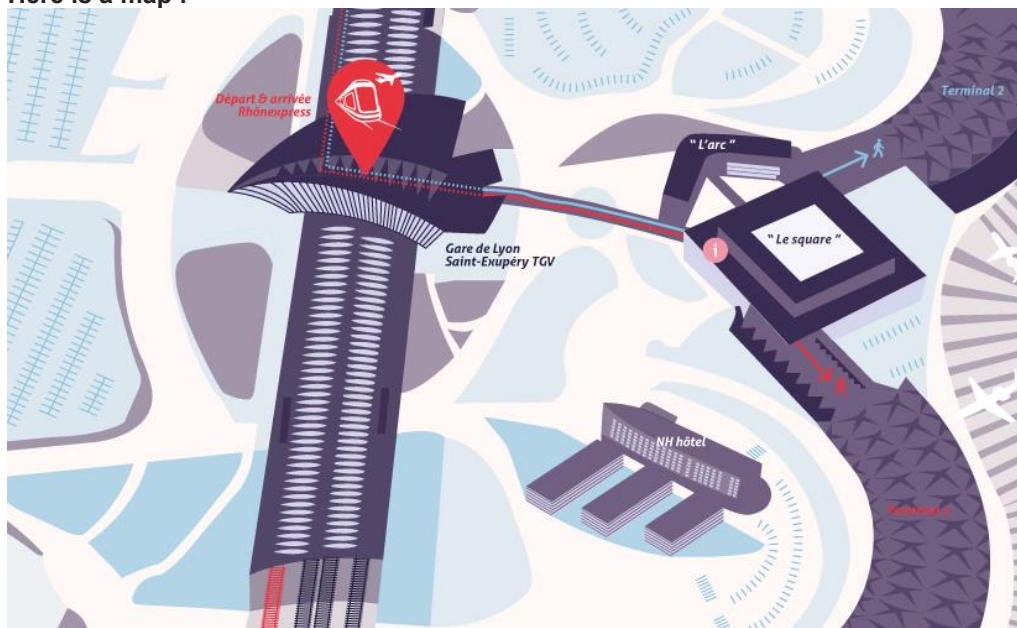

The gathering will take place at : ABRI Church , 6 rue du MONT, 42100 ST ETIENNE FRANCE.

If you travel by plane, you'll have to take the Tram Shuttle RHONEXPRESS between the airport and the Train Station LYON PART DIEU. The distance between the airport and the church is around 80 km so avoid taking a cab, it will cost too much money.

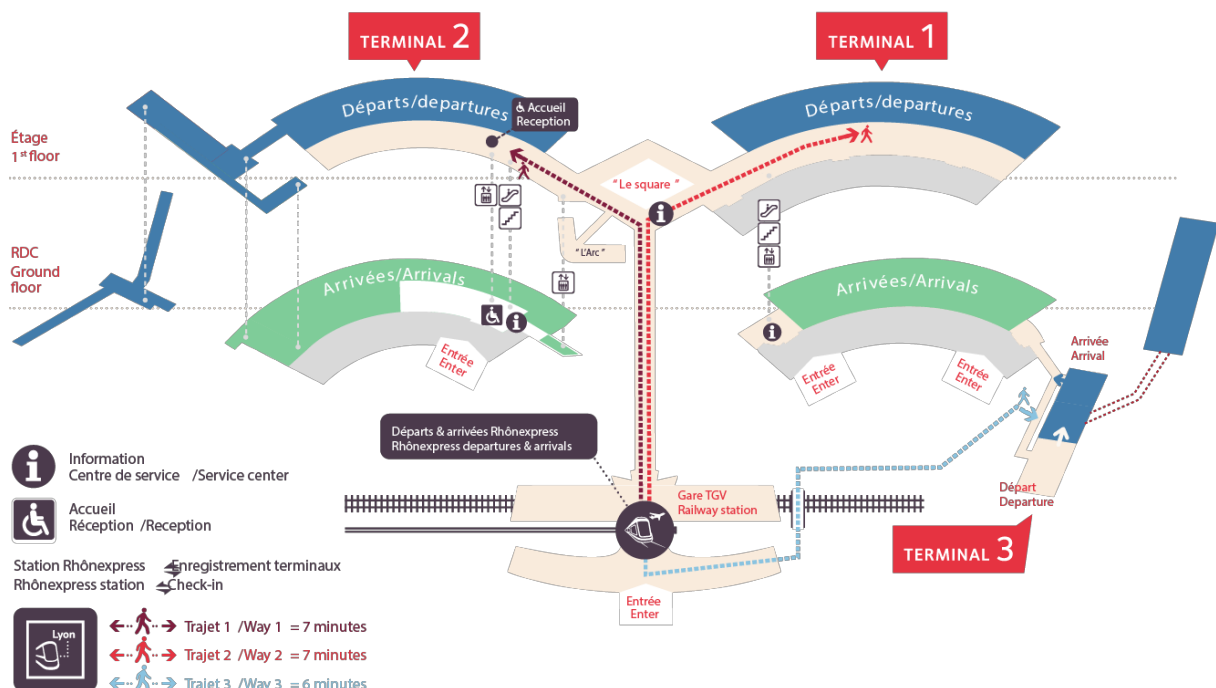

You can find this TRAM SHUTTLE RHONEXPRESS outside the airport (6-8 minutes by walk). Follow the signs RHONEXPRESS.

Here is a map :

And of the airport :

The journey will take 30 minutes and the price of a single ticket is 16.10 euros. You can book your ticket for this shuttle on the Web here:

<https://www.rhonexpress.fr/en/access-and-schedules/23>

there is a small price reduction if you do so. It's a bit less expensive if you're under 25 years old. There is a Tram Shuttle every 15 minutes and you'll have to go to the last stop.

The Shuttle stop is right in front of the train Station as you can see below.

Inside the train station, you should book a ticket for St Etienne CHATEAUCREUX. The cost for this is around 11 euros. The journey should be around 40 minutes.

Once you're at St Etienne CHATEAUCREUX Train Station, reach out for the Exit (I know it sounds logical) and you'll see a Tram Station in front. The good direction for those Tram is the T3 line. You exit the tram at BELLEVUE Station. The cost is minimal 1.40 euro. There you're at 100 m of the church .

Go down the main street and take the second street on your left (6 Rue du Mont). There is a big Boulangerie named PAUL at the corner, you can't miss it. The church is on the right side (ABRI church) just before the train bridge (don't go under, you're going too far then).
